REDUCED ENVIRONMENTAL IMPACT

Recycled Content

GREENGUARD Gold Certified products are tested for low chemical emissions to standard UL 2818. For more information, visit UL.com/gg.

Eco System®

Sustainable. Attainable at Mayer Fabrics.

CLEANING INFORMATION

WS: Water/Solvent Cleaner – Spot clean, with a mild solvent, an upholstery shampoo, or the foam from a mild detergent. When using a solvent or dry cleaning product, follow instructions carefully and clean only in a well-ventilated room. Avoid any product that contains carbon tetrachloride or other toxic materials. With either method, pretest a small area before proceeding.

For detailed care and cleaning information for each pattern, please refer to the Mayer Fabrics website or contact customer service.

ADDITIONAL INFORMATION

Memo Samples: Please keep this card intact. Individual memo samples are available. Please contact MCE or refer to the MCE website.

Fabric Color Matching: MCE always attempts to ship a satisfactory commercial match. Because of industry standard dye lot variation, colors may not match exactly.

Digital Swatch Card Color Matching: Due to color variations on different monitors and color printers, actual swatch colors may vary slightly.

Specifications: Specifications are correct at the time of printing. Current specifications are available on our web site.

For information or assistance with products or services, call us at 410.540.5400 or refer to our website, www.mce.md.gov.

This 100% polyester panel fabric is included in the Underwriters Laboratory Fabric Recognition Program.

Additional testing of the U.L. recognized component fabric is not required on approved panels from participating manufacturers.
